United States District Court

RE: *Bombardier Inc v. Mitsubishi Aircraft Corporation, et al.*
Case No. 2:18-cv-01543-JLR

Judge Robart,

Karr Tuttle Campbell represents defendants AeroTEC, Laurus Basson, Michel Korwin-Szymanowski, and Cindy Dornéval ("the AeroTEC Defendants"). This letter is in response to your April 10, 2019 Order seeking an explanation for the parties' request for a telephonic hearing on Defendants Marc-Antoine Delarche and Keith Ayre's request for additional time to respond to Bombardier Inc.'s motion for preliminary injunction ("MPI").

Although the AeroTEC Defendants are not the subjects of the MPI filed against Delarche and Ayre, the AeroTEC Defendants support Delarche and Ayre's request. The MPI at issue includes the assertion that an employer may be vicariously liable for trade secret misappropriation by its employees. Dkt. No. 123 at 11. Given that the conduct complained of against Delarche is alleged to have occurred while he was an AeroTEC employee, it is important that we have sufficient opportunity to consult with Delarche's attorneys to develop a proper response. This may involve examination of forensic evidence which may take some time.

Further, we agree with the other defendants that it would be more efficient and in keeping with the Court's approach to this litigation to resolve all of the motions to dismiss before the preliminary injunctions and that there would be no prejudice to Bombardier in a short delay.

Sincerely,

A handwritten signature in blue ink, appearing to read "D. Hagen".

Daniel T. Hagen

Attorney for AeroTEC, Laurus Basson, Michel
Korwin-Szymanowski, and Cindy Dornéval
